COMMUNICATION AND ENTERTAINMENT ANTENNAS

GLOMEX
The best in marine antennas
www.glomex.it

The Glomex range of VHF/AIS/FM/DAB communication marine antennas is enhanced with the new **BLACK LINE** to answer the specific demand of black modern boats. Each Glomex communication antennas has the special **Lifetime Warranty** as they are developed with the highest quality materials. This is why the most important worldwide boatbuilders and shipyards choose Glomex marine antennas since 1984. All Glomex communication antennas offer boat owners the security to using products made with the best care about raw materials, tested at sea thanks to Glomex Test Lab 3, the laboratory boat arranged with all the necessary equipments to test the antennas' reliability. This scrupulous attention allows Glomex to offer a lifetime warranty on communication antennas because they do not reduce their **high performance** and not aesthetically deteriorate over time.
